Objection to SA32, Sainsburys Green Lanes N21 3RS.

Page 351 of Enfield Local Plan - redevelopment of supermarket and car park to mixed-use homes and non-res floor space

My objections are:

The loss of the largest supermarket in the area would be an enormous loss to us and the whole community and force drivers to drive further.

We rely on this supermarket day to day as do hundreds of others. Waitrose is too expensive and Tesco in Enfield is too far away.

The car park is used by many people not just Sainsbury customers, as high st parking is in short supply after the bike lanes were built. This would hit local shops as there is a problem street parking.

The site has green space to walk dogs which would be lost forever to concrete/brick.

The doctor's and schools are overstretched already to service another 300 homes.

Finally the building traffic would be too heavy.
