Dear Enfield Council

Response to draft local plan reg 18 consultation 2021

I live in Enfield and I object to draft policy DM BG10 in the draft Enfield plan. This allocates Fris Farm Wetlands (site ID SA59) as a site for burial and/ or crematorium use.

I oppose this and would be absolutely gutted that this wonderful green space would be lost. I am surprised that I have voted in councillors that would even consider this plan!

Please remove Fris farm wetlands from policy DM BG 10.
