

---

I am writing to strongly protest at the suggestion of redeveloping the current Sainsburys site N22. This store is a lifeline for local people, both elderly and people who have lived in the area for many years. A lot of redevelopment has taken place and is already being planned in N21, causing further chaos, in an area of schools, and much traffic along this route already. I kindly request you to reconsider this plan. Thank you.
