Hello

I would like to let you know why I don't agree with the proposed development in Hadley Wood (SA45). I am a 5 year old girl who loves going for walks with my family in the area and we will not be able to do that if the development goes ahead and destroys the fields that we enjoy so much. We love exploring, looking for wildlife and watching the birds on our adventures.

I am also worried about what will happen to all the wildlife that will be killed if this development happens. We need to protect the birds, bees, plants for me and all the other children locally.

Please don't let this development continue and allow me to enjoy roaming in Hadley Wood for a long time to come.
