
Draft Local Plan - No to a Crematorium in Firs Farm Wetlands Park and Playing Fields.

I am writing to request that you remove all reference to Firs Farm Wetlands from Policy SP CL4.

I object to draft Policy DM BG16 in the Draft Enfield Local Plan. This allocates Firs Farm Wetlands (Site ID SA59) as a site for Burial ad/or Crematorium use. I oppose this Policy because:

1. Firs Farm Wetlands is a vitally important community resource, essential to the health and well-being of the local community in many ways. It is used by myself and other local/Enfield residents to exercise in different ways such as cycling, walking, jogging/running, dog walking. It is also used by local children, families and Schools as a way of enriching Enfield children's learning about nature and their local environment.
2. The draft Policy directly contradicts Strategic Policy SP CL4 I the draft Local Plan. This identifies Firs Farm as facilitating and contributing towards developing sport and leisure facilities in Enfield.
3. The Proposal will significantly affect the local Site of Interest for Nature Conservation, and reduce the biodiversity and nature and conservation interest of Firs Farm Wetlands, contrary to several other Policies in the draft Local Plan.
4. The Proposal will reduce the effectiveness of the flood alleviation provided by Firs Farm Wetlands, which Enfield Council has spent more than £1 million to provide.
5. The Proposal will adversely affect the environment and local traffic, and this has not been properly considered in the Integrated Impact Assessment of the draft Local Plan.
6. The Policy introduces uncertainty into the future use of Firs Farm Wetlands that jeopardises funding for Projects secured by local Community Groups (e.g. from Thames Water) that have been endorsed and supported by Enfield Council.

I call on the Council to remove all reference to Firs Farm Wetlands from

Policy AP CL4.
