

Response to the Draft Local Plan Reg 18 Consultation 2021

Dear Enfield Council,

This is to express my strong objection to Draft Enfield Local Plan - draft policy DM BG10. It proposes Firs Farm Wetlands (Site ID SA59) as a site for burial and/or crematorium use.

I oppose this policy because it would take away a big portion of green space in the middle of the Wetlands where adults and children play football, exercise, walk dogs and enjoy the green space.

The local community was looking forward to seeing a cafe being built there to make it even more enjoyable, family friendly and social place.

I believe this site should be immediately excluded from the list of potential sites for the crematorium.

I call on the Council to remove all reference to Firs Farm wetlands from Policy **DM BG10.**"

Thank you.
