

---

Good Evening

I'm writing to object to the following:-

1) The following polices SP PL10,pages 80-87,and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3 10; policy SA 45, Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54,page374; and Policy SA62 page 383 and SP CL4 pages 277-279- all of which propose the dedesignation of Green Belt for housing and other purposes. These sites are part of the historic Enfield Chase, which is unique in the SouthEast and played an important role in the development of Enfield. Its a rare and valuable landscape and its loss would cause permanent harm to the Green Belt and to the character of the borough.

2) I also object to Polices SA62 page 383 and SP CLA pages 277-279 because they transfer part of Whitewebbs Park, a public amenity,into private management. I reject the Councils analysis that Whitewebbs Golf Course was losing money and call for it to be reinstatement.

3) I am also objecting to Policy SA52 page 372, which would remove part of Rammey March, a wildlife area and public amenity, from the Green Belt.

4) I am also objecting to the tall building policies on page 156-160,Figure7.3, Figure 7.4 and Policy DE6 and SA2 Palace Gardens Shopping Centre page 321 which propose areas for and the acceptable height of tall buildings which , in many cases would distroy the landscape and are unnecessary because other lower-rise building forms could provide the same accommodation, as stated in the policy.

I've lived in the Enfield area for over 40 years and if this pandemic has taught us one thing, having open spaces to walk in and enjoy is essential for our mental health. Enfield has so many areas of natural beauty so to ruin this with all this building work is criminal.

Enfield Town is a traditional old Market town so to even think about building high rise flats in the middle of it is beyond belief. It will totaly distroy the town.

I really think that you need to think carefully about these plans because I definately object to all of them.

Yours Sincerely
