

To whom it may concern,

My name is Enza Georgiou, I live at 85 Hyde park avenue London Enfield N21 2PL.

I am disappointed in hearing that the Enfield council is thinking of putting a crematorium in Firs Farm Wetlands, as I live close by. We already live near a cemetery, we don't need any more. As for a crematorium and the pollution it will bring, we already have one near the A10.

So, I will not be supporting this building. I reject this proposal.
