

Dear Enfield Council,

Firstly, I'd like to express how disappointed I am with the many council decisions to scar and ruin our beautiful green borough.

With mental health being so prominent now and the need for open space and nature, post lockdown I'm bemused why these plans are even been considered!

Crews Hill has been a huge draw to the area for people shopping and relying upon for days out, enjoyment and sourcing items for their gardens and as presents.

Therefore, I am writing to object to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which propose the dedesignation of Green Belt for housing and other purposes. These sites are part of historic Enfield Chase, which is unique in the southeast and played an important role in the development of Enfield. It is a rare and valuable landscape asset and its loss would cause permanent harm not only to the Green Belt, but also to the very character of the borough.

I also object to the proposed building upon the Vicarage Farmland.

I see many people walking through/along the footpath here with dogs, families and individuals. All soaking up the fresh air and healing properties which nature provides.

Please do not destroy our borough.

Yours sincerely,
