

To whom it may concern,

I, [Nadia Constantinou](#), owner/occupier of 31A Fox Lane, Palmers Green, N13 4AB, object to the proposed demolition plans currently in consultation, namely, **PL10, PL9, SA54, SA45, SA62, SS1, PL8, BG3, DEG, SA2, DM BG10, DMRE1, DMRE2**, to destroy our Greenbelt, established since 1955 on the grounds that the benefits of protecting our CO2, low carbon emissions and mental health far outweigh the governments proposed plans to build more housing in an already over populated area.

Building unnecessary housing on the Greenbelt is a crime against humanity and would be a tyrannous act of violation of our human rights and needs for the advantageous benefits these green spaces provide to our communities. May I remind you that this is in unlawful act and abuse of legislation and not above our rights as Sovereign members of England and further action will be enforced if necessary.

- The ‘Spatial strategy’ ([section 2.4](#)) which identifies how growth will be distributed across the Borough over the plan period and gives rise to the strategies for housing, employment, town centres and countryside green belt;
- 3,000 new houses at a ‘deeply green’ ‘sustainable urban extension’ referred to as ‘Chase Park’ (also known as Vicarage Farm) on the open Green Belt countryside next to Trent Park either side of the A110 (Enfield Road) between Oakwood and Enfield town ([Policy SP PL 10, pages 80-87, and Figure 3.11](#));
- 3,000 new houses in a ‘sustainable settlement’ at Crews Hill with the potential for longer term expansion up to 7,500 new homes right up to the M25. ([Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10](#));
- 160 homes in Green Belt countryside at Hadley Wood ([SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364](#));
- Industrial and office development in the Green Belt near Rammey Marsh ([SA52 page 372](#));
- 11 hectares of new industrial and storage and distribution use at what is currently agricultural land east of Junction 24 of the M25 at part of new Cottages and Holly Hill Farm within Enfield Chase ([SA54, page 374](#));
- a big expansion of the Spurs football training ground to the north of Whitewebbs Lane up to the M25, comprising of 42.5 hectares of land, for “professional sport, recreation and community sports/leisure uses” ([SA62 page 383 & SP CL4 pages 277–279](#));
- Encouragement for tall buildings, including in sensitive locations such as the town centre conservation area ([see pages 156-60, Figure 7.3, Figure 7.4 and Policy DE6, and SA2 Palace Gardens Shopping centre page 321](#)). A [higher quality version of figure 7.4](#) is also available, showing proposed maximum building heights across the Borough.
