

Dear Sir/ Madam,

I am writ to request you remove all reference to Firs Farm wetlands from Policy SP CL4.

I object to draft policy that allocates Firs Farm Wetlands as a site for burial and / or crematorium use. I oppose this because the wetlands is an important community resource, essential to the health and mental well-being of the many local people such as myself who use it regularly.

Firs Farm has been identified in Strategic Policy SP CL4 as contributing towards developing sport and leisure facilities in Enfield. Your proposal for a cremation seems to contradict this.

I implore you to remove all reference to Firs Farm wetland from your draft plan for a crematorium.
