

Dear Enfield Council,

I have several issues with the Draft Local Plan. Too much of Enfield's green has already been sold off and ruined by your building of new homes.

I object to the following parts of the plan:

- The proposal to knock down the Sainsbury's in Winchmore Hill to create 299 new homes. Not only will this be a huge inconvenience to lose a local supermarket in the area this would also increase traffic in the area. I note there is no supporting community infrastructure planned which will lead in an overstretch of existing facilities such as schools, doctors and dentists etc. **(SA32 SAINSBURY'S GREEN LANES – Mixed use, 299 homes (p315, 359 of the Enfield Local Plan)**
- The draft Local Plan contains proposals to increase building heights across the borough. **(DE6: Tall Buildings (pages 156-159). I oppose this propose increase of buildings getting any higher and ruining the environment and landscape even further.**
- 3,000 new houses at a 'deeply green' 'sustainable urban extension' referred to as 'Chase Park' (also known as Vicarage Farm) on the open Green Belt countryside next to Trent Park either side of the A110 (Enfield Road) between Oakwood and Enfield town **(Policy SP PL 10, pages 80-87, and Figure 3.11)**
- 3,000 new houses in a 'sustainable settlement' at Crews Hill with the potential for longer term expansion up to 7,500 new homes right up to the M25. **(Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10)**
- 160 homes in Green Belt countryside at Hadley Wood **(SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364)**
- Industrial and office development in the Green Belt near Rammey Marsh **(SA52 page 372)**
- 11 hectares of new industrial and storage and distribution use at what is currently agricultural land east of Junction 24 of the M25 at part of new Cottages and Holly Hill Farm within Enfield Chase **(SA54, page 374)**
- The large expansion of the Spurs football training ground to the north of Whitewebbs Lane up to the M25, comprising of 42.5 hectares of land, for

**“professional sport, recreation and community sports/leisure uses” (SA62
page 383 & SP CL4 pages 277–279)**
