

I am objecting to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which propose the dedesignation of Green Belt for housing and other purposes. There is enough Brownfield sites available in Enfield for affordable housing.

2. I also object to Policies SA62 page 383 and SP CL4 pages 277-279 because they transfer part of Whitewebbs Park, a public amenity, into private management. I reject the Council's analysis that Whitewebbs Golf Course was losing money and call for its reinstatement.

3. I object to Policy SA52 page 372, which would remove part of Rammey Marsh, a wildlife area and public amenity, from the Green Belt.

4. I am also objecting to the tall building policies on pages 156-160, Figure 7.3, Figure 7.4 and Policy DE6, and SA2 Palace Gardens Shopping Centre page 321 which propose areas for and the acceptable height of tall buildings which is unnecessary because other lower-rise building forms could provide the same accommodation, as stated in the policy. Enfield Town is historically a Market Town and being surrounded with tall buildings will lose its historic character.

I believe :-

a. This plan will destroy Enfield's Green Belt, Enfield's History and Enfield's character which is irreplaceable.

b. We need to Protect our green belt within Enfield not destroy it, we are all striving to be greener, using less polluting vehicles, recycle our waste, why doesn't the our local authority have the same attitude, greed and power!

c. Enfield has enough Brownfield sites that can be used to build affordable housing.

I along with countless other people in Enfield we find our green spaces essential for our wellbeing, taking this away is truly an attack on us, I've had countless conventions with people in our local area and no one wants this to happen it seems the only people who do are councillors (who do not live locally) and the developers who are motivated by greed!
