

Dear Enfield Council

**Draft Policy DM BG16 / Site ID SA59 / Policy SP CL4**

With reference to plans to build a crematorium on the Firs Farm Recreation Ground I would like to register my objection on the following grounds:

1. Effect of this plan in terms of pollution and extra traffic.
2. Impact on the lives of the local residents, as well as the Enfield population, who have been benefiting from the sport, leisure and health aspects of the park and the wetland.
3. Negative effect on the quality of this nature conservation.
4. Flood and water management considerations.

I request that this plan is removed.
