

Dear Sir/ Madam,

I want to lodge my objections to the proposals for high density developments of the following:

The Green Lanes Sainsbury's,
Ford Grove Car Park,
Lodge Drive Car Park,
Arnos Grove station Car park,
Cockfosters Car park,
Asda Southgate.

These are essential facilities to the local people and we value them as they are. Myself and my neighbours share my views that we do not want further density in housing and development. These plans will further stretch limited resources for local schools, hospitals and Doctors.

These objections will be in my considerations for the next local elections and I will support those who will follow a plan that is more sympathetic to the local area and the way of life we have chosen and why we have chosen to live in this area.
