

Dear Sir/Madam

I wish to object to the inclusion of SA32 Sainsburys Green Lanes, N21 SRS in the Enfield Council local plan and ask for it to be removed from the final document for the following reasons:

- The scheme proposes a ridiculous 299 flats and a retail unit that is similar to the existing unit. This inevitably will result in high rise towers and is completely at odds with an area consisting of 2-3 storey houses.
- The plan shown on the page encapsulates the green space at the back and sides of the site and this is totally unacceptable as green spaces should be protected in urban areas.
