

Response to the Draft Local Plan Reg 18 Consultation 2021

Dear Enfield Council

I am writing to object to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; Policy SA52 page 372; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which propose the de-designation of Green Belt for housing and other purposes.

The Green Belt is under threat now like never before. It has never been needed more than now.

While I support housing development and support the ambition to meet Enfield's housing needs, I strongly object to the proposal to release Green Belt for housing or other purposes. I believe that there are alternatives available to meet housing targets and that the Green Belt is a precious resource that should be protected and preserved for future generations. It is too valuable to lose for all the many environmental, ecological, economic, public health and other reasons that have been identified, especially during the recent pandemic.

The Council has a duty of care for the Green Belt, in accordance with the London Plan and the National Planning Policy Framework [NPPF], and any intentions to release parts of it should be taken out of the local plan.
