

Dear Sir.

Objection to SA32, Sainsburys Green Lanes N21 3RS. Page 351 of Enfield Local Plan.  
Redevelopment of supermarket and car park to mixed-use homes and non-residential floor space.

The Sainsbury's site is a great asset to the local community. If it is taken away there will be a huge increase in car journeys to travel to the next same size Supermarket. At present many locals can walk or cycle to get their food shopping.

The green space is also gets a great deal of use. When the site was taken over by Sainsburys there were restrictions put on their use of the land and they have always acted in the best interest of the local community. Just visit the place to see how much it is enjoyed, especially at weekends
