

Dear Enfield Council

Response to the Draft Local Plan Reg 18 Consultation 2021

Thank you for the opportunity to respond to this important consultation.

I am writing to object to the following Policies: SP PL10, pages 80-87, and Figure 3.11; Policy SP PL9, pages 77-80 and Concept Plan Figure 3.10; Policy SA45: Land Between Camlet Way and Crescent Way, Hadley Wood, page 364; Policy SA54, page 374; Policy SA62 page 372; and Policy SA62 page 383 and SP CL4 pages 277-279 – all of which propose the dedesignation of Green Belt for housing and other purposes.

All these sites are part of historic Enfield Chase, which played an important role in the development of Enfield. The remaining parts of the Chase are unique in the southeast and a rare and valuable landscape asset. The loss of these sites would cause permanent harm not only to the Green Belt, but also to the very character of the borough.

I particularly oppose the loss of the Crews Hill area. Crews Hill is very important to the borough and should not be destroyed. Its garden centres and other businesses provide employment and a resource for people from Enfield and beyond. Instead of losing Crews Hill for housing, its horticultural activities should be encouraged and enhanced so that it can once again be a hub for food and plant production.

The comments provided in this response to the consultation are my own views.

This will be an appalling decision by Enfield Council, a great loss to the many people of residents of the local community and outside of the borough. I cannot believe that this Council wants to destroy this important area.

Regards
