

7th September 2021

Dear Enfield Council,

Response to the Draft Local Plan Reg 18 Consultation 2021

Thank you for the opportunity to respond to this important consultation.

I am writing to object to the following Policies:

SPPL10 pages 80-87 and Figure 3.11,

Policy SPPL9, pages 77-80 and Concept Plan Figure 3.10

Policy SA45 - land between Camlet Way and Crescent Way,

Hadley Wood, page 364;

Policy SA54, page 374

Policy SA52, page 372; and

Policy SA62, page 383; and

Policy SPCL4, pages 277-279; -

all of which, propose the redesignation of Green Belt for housing and other purposes.

I would like to add that I am appalled by your decision to build on Green Belt Land. This land is of inestimable value to those of us who are already living here and especially so in the last 18 months. Not for nothing is the Green Belt known as The Lungs of London. It is essential for our overall

Holistic Health and wellbeing. That includes our mental as well as Physical wellbeing.

The countryside that is ~~at present~~ left around Enfield as it is, at present; is what has made our lives bearable in the last year or so. This is a retrograde historic step for the future Health and Happiness of The People of Enfield. ~~Please~~ Please, Rethink this. Now!

Yours faithfully
