Dear Sir

We should like to make objections to proposed developments in Enfield which will take away Green Belt countryside. This land is essential as it provides for us all in Enfield with access to a healthier, greener, safer and cleaner environment. Additional homes should instead be provided from 'brownfield' sites.

Our objections relate to the following:-

Policy SP PL10, pages 80-87 and figure 3.11 - 'Cherry Park'
Open countryside next to Trent Park either side of the A110 (Enfield Road) between Oakwood and Enfield Town

Policy SP PL9, pages 77-80 and Concept Plan figure 3.10
New houses in a 'sustainable settlement' at Crews Hill.

SA 45 page 364

Homes in Green Belt countryside on land between Camlet Way and Goscent Way, Hadley Wood.

SA 54, page 374

Currently agricultural land at New Cottage Farm + Holly Hill Farm within Enfield Chase.

SA 62 page 383 & SP CL4 pages 277-279 - A big expansion of the Spurs football training ground to the north of Whitewebbs Lane

Yours faithfully
